

2022 TRAVEL INFORMATION

ARRIVALS

June 23 (*full and 1st session*) or **July 18** (*2nd session*)

We strongly recommend driving directly from home to Timanous on the first day of your session in order to minimize exposure. Air travel necessitated by distance is acceptable, but we encourage car travel whenever possible. We are able to greet campers at Boston Logan Airport or the Portland Jetport. At this time we do not anticipate offering a bus from the New York region.

DRIVING

We plan to stagger camper drop-offs between **12:30PM and 4:30PM on June 23** for full and 1st session campers, and between **10:00AM and 11:30AM on July 18** for 2nd session campers. We will send out a signup form where you can choose a slot that works best for you. Please note that our arrival process will be slightly modified compared to 2021, and continues to be different from prior years. Lunch will not be offered at Timanous on June 23rd so please pack your own lunch for the car. We will provide lunch for campers on July 18.

SHIPPING CAMP TRUNKS ENCOURAGED

Similar to 2021, we encourage families to ship trunks in advance when traveling from out-of-state. It is very helpful to have the trunk in place in the cabin when the campers arrive. Having fewer items to deliver to the cabin on opening day will ease the drop off process. If driving your child to camp, you may bring the trunk with you. Trunks may arrive up to 2 weeks prior to your son's arrival. Please ship trunks to: Camp Timanous, 85 Plains Road, Raymond, ME 04071. We can arrange to have trunks shipped home at the end of camp.

FLYING - if necessitated by distance from camp

We will arrange to meet campers at Portland or Logan airports. Logan is primarily for international campers. **Please check in with us prior to making your flight reservations so that we can best coordinate camper travel to and from the airport.** As soon as you know your flight, let us know so that we may recommend it to others from the same area. It is nice if campers can travel together.

PORTLAND, MAINE JETPORT (PWM)

\$40

Campers will be met at their flights by our counselors and brought to camp by car. Flight arrival time on **Thursday, June 23** should be between 10AM and 2PM and on **Monday, July 18** before 12PM. Departures on **Sunday, July 17** should be scheduled for the morning. At the end of camp, departures can be scheduled for late (5:30PM or later) **Wednesday, August 10** or before noon on **Thursday, August 11**.

LOGAN AIRPORT, BOSTON, MASSACHUSETTS (BOS)

\$120

Note these arrivals are a day before the session begins to prevent a very late arrival on the first day of the session. Campers will be met at their flight by our counselors and driven to camp. Flight arrival times on **Wednesday, June 22** and **Sunday, July 17** should be scheduled between 2PM and 6PM. Flight departures on **Sunday, July 17** should be scheduled **between 2PM and 6PM**. Flight departures on **Thursday, August 11** should be scheduled **between NOON and 4PM**.

(see reverse side for camp departure information)

DEPARTURES

July 16 (1st session) or August 10 (full and 2nd session)

Please note that while we are hoping to allow families to attend our closing ceremonies of Council Fire (July 16) or Banquet (August 10) when picking up campers, we will wait until later in the spring to make this determination based on the best health and safety protocols at that time. We will be sure to communicate these developments with you so that you can plan your travel itinerary accordingly.

DRIVING

Pickup times start at **2:30PM on both departure days**. If it is necessary to stagger pickup times, we will circulate a signup form later in the spring. All campers except those traveling by plane will depart at this time following our closing ceremonies.

If you are picking up your camper after the 1st session on Saturday, July 16 — keep in mind that weekend traffic coming north to Maine and around Raymond can be very heavy on summer weekends. Please plan accordingly.

CAMP TRUNKS AND OTHER BAGGAGE

Your son's luggage can be shipped home at the end of his session. The UPS Store will come to Timanous at the end of each session to prepare, label and ship all baggage. All trunks will be boxed. Shipping charges will be added to your final invoice. We will offer luggage shipping as an option on a sign-up sheet.

As the cost of shipping trunks internationally is prohibitive, international campers may store trunks or boxes at camp for the following summer.

FLYING — refer to Page 1 for flight departure times

We will arrange to take campers to Portland or Logan airports. Logan is primarily for international campers but may be used for domestic flights if it ensures a direct flight.

PORTLAND, MAINE JETPORT (PWM)

\$40

First session campers should plan departing flights on **Sunday morning, July 17** and full time and second session campers on **Wednesday, August 10 5:30PM or later, or Thursday, August 11 before noon**.

LOGAN AIRPORT, BOSTON, MASSACHUSETTS (BOS)

\$120

First session campers should plan departing flights on **Sunday, July 17 between 2PM and 6PM** and full time and second session campers on **Thursday, August 11 between NOON and 4PM**.
